

MAINE TOWNSHIP'S MANDATORY CURBSIDE SOLID WASTE, RECYCLING AND YARD WASTE COLLECTION SERVICES PROGRAM

PROVIDED BY

2101 S BUSSE ROAD
MOUNT PROSPECT, IL 60056
847-981-0091

Dear Maine Township Resident,

Thank you for choosing ARC Disposal (ARC) to meet your solid waste collection and recycling services needs. This brochure provides a summary of the program. Should you have any further questions please call our customer service department at (847) 981-0091.

REFUSE SERVICES

Each residence will be provided with one green 95-gallon cart. All refuse material must be placed in the cart for pickup. The cart is the property of ARC and will be maintained by ARC. Any material not placed in the cart must have a refuse "tag" affixed to it. Exception: each residence may place out for pickup each week one cubic yard of construction material or one large household item (excluding white goods). Construction material must be securely tied and bundled for pickup. All material must be placed street side at the curb and must be out by 6:00 am on scheduled collection days.

RECYCLING SERVICES

ARC will provide each single family and multi-family residence with a blue 65-gallon recycling cart. Seniors (age 65 and older) may request a smaller cart by contacting the Township. All recycling material must be placed in the blue recycling cart. Recycling material will be collected, every other week. Please see the back of this brochure for a list of the recycling materials accepted and a calendar highlighting in blue the weeks that recycling material is picked up.

DUMPSTER SERVICES

Multi-family residences or complexes that elect to receive dumpster service for solid waste collection will be serviced once per week. Customers will be invoiced monthly in advance.

YARD WASTE

ARC will provide weekly yard waste collection from the first Monday in April through the 2nd Friday in December to all residents not utilizing dumpster service. Residents will be required to purchase yard waste "tags" from the **Township Clerk's office (1700 Ballard Rd, Park Ridge 847-297-2510)** and affix them to biodegradable yard waste bags prior to collection.

WHITE GOODS

White Goods such as refrigerators, washers, dryers, ovens, etc. must be "called-in" prior to pickup and will be collected on the resident's regularly scheduled service day.
